

UniHome™ Network Box  
Category 5e Data Module  
6 port Telephone Module  
CATV Input Surge Protection  
(F connector)

## UniHome™ Network Box

UNICOM's new UniHome™ Series, the complete home network in a box, provides a total wiring solution for virtually all home environments. UniHome™ includes connections for internet access and sharing, home entertainment, home/small office networking, home automation, security and more! Imagine sharing an internet connection with multiple computers, monitoring the kids and enjoying a movie from any area in your home... simultaneously!

PART NUMBER	DESCRIPTION
UHB-2VDT-KIT	UniHome Network Box, with CATV input. 8-port in-bound, 8-port out-bound video, 6-port Category 5e Data, 6-port Telephone and one extra space for an additional module
UHB-M6ED	6-port Category 5e Data Module for extra Data Lines
UHB-M63T	6-port Telephone Module for extra Telephone Lines
UHB-S1FC	CATV or Satellite Input Surge Protection (F connector)

UniHome™ Network Box  
UHB-2VDT-KIT

CATV Input Surge Protection (F connector)  
UHB-S1FC

6-port Category 5e Data Module  
UHB-M6ED

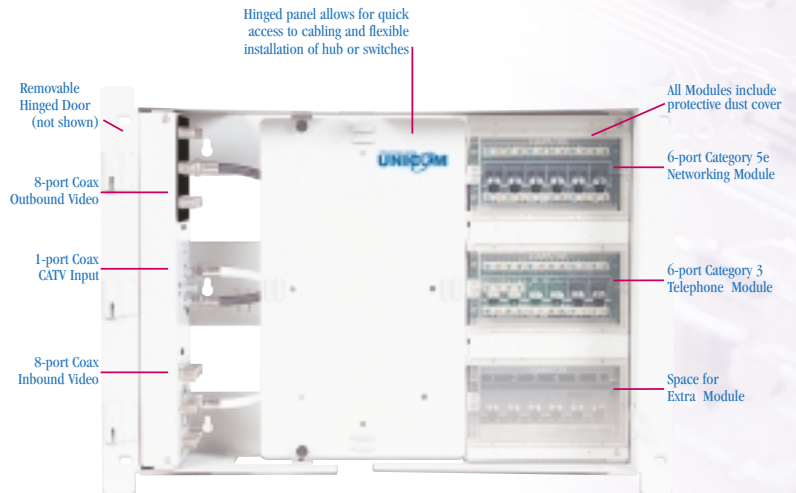

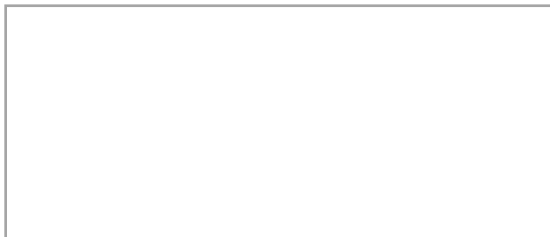

6-port Telephone Module  
UHB-M63T

### Specifications

<b>Standards:</b>	TIA-570-A Residential Wiring Standards, EIA-600 Consumer Electronics Bus (CE Bus) TIA/EIA-568-A-5 Category 5e Standards for Data TIA/EIA-568-A Category 3 Standards for Telephone
<b>Interface:</b>	In-bound video: 8 x F (Female) Out-Bound video: 8 x F (Female) Data Module: 6 x Category 5e RJ-45/110 Telephone Module: 6 x Category 3 RJ-45/110 Vacant Module space for expansion
<b>Impedance:</b>	In-Bound video: 75 ohm Out-Bound video: 75 ohm Data: 100 ohm Telephone: 100 ohm
<b>Bandwidth:</b>	In-Bound video: DC to 1 GHz Out-Bound video: DC to 1 GHz Data: up to 100 MHz Telephone: up to 10 MHz
<b>Distance:</b>	In-bound video: RG-6 cable, up to 50 meters* Out-bound video: RG-6 cable, up to 50 meters* Data: Category 5e UTP cable, up to 100m. Telephone: Category 5e/5/3 UTP cable, up to 100m
<b>Enclosure:</b>	Metal
<b>Dimensions:</b>	14.125" (W) x 10.5" (H) x 4.25" (D)

\* Note: A video booster may be required for some applications.

Distributed by:

Kit also includes: (5) Category 5e patch cords,  
(1) Category 3 telephone cable and cable ties

### UniHome™ Starter Kit

PART NUMBER: UHB-2VDT-KIT

#### KIT INCLUDES:

- 6-Port Category 5e networking module for Gigabit and Fast Ethernet network
- 6-Port telephone module for telephone
- 1-Port CATV input
- 8-Port In-Bound/8-Port Out-Bound Video
- Mounting plate for hub or switch installation
- (5) 1ft. Category 5e patch cords
- (1) 7ft. Telephone patch cord
- Adjustable Mounting Brackets
